

Please join us for the 13th Annual Jazz Dinner Dance

A fabulous night of dancing to music played by East High musicians, that includes a catered meal from Upstairs Downstairs and an amazing silent auction.

This is the main fundraising event that covers the cost of private lessons, music scholarships, instruments, and uniforms for all of East High's bands. It's a delightful evening of good food, great music, and hanging out with your school community.

There are 2 options for attending.

You can purchase a dinner ticket and enjoy a delicious catered meal. Or you can buy a dance only ticket. The options are listed at the payment site. Children are welcome and encouraged!

Purchase your seats and make your dinner selections at this site.
