NOMAS SANTINI & LARS ROEDER  Sep 4 - Oct 27
- NoMas was born and raised in Oshkosh, WI and is currently a Master of Arts student at the University of Wisconsin - Madison. His work is based on personal narratives about how he perceives society; the ideas and symbols used in these creative explorations are then realized in the form of wood-block prints.
- Lars is a native Madisonian and East High Alum. He received a Master of Arts degree - with an emphasis in photography and printmaking - from Texas A & M University - Corpus Christi in 2017.

JULIO CACHIGUANGO  Nov 3 - Dec 22

M.A.T.A. SHOW  Feb 12 - Mar 15
The Madison Area Teacher’s Association is not just an organization for professionals dedicated to Art Education, but a gathering of practicing artists. SENIOR SHOW  Mar 18 - Apr 20
This is what Growth Mindset looks like! Madison East Art Students are invited to collect and display the work created throughout their high school experiences. FIRST SEMESTER REVIEW  Jan 8 - Feb 7
Students in first semester classes take on challenges and find creative ways to express themselves through art. For some, this is their first experience in a high school art program. Others have taken art classes all four years. First Semester art classes include Observational Drawing, Graphic Design (Branding and Typography), 2-D Design, Painting, Ceramics, and Art Metals.

SECOND SEMESTER REVIEW  Apr 25 - Jun 1
The Second Semester Art Review exhibits work created over the spring semester by students enrolled in art classes at Madison East High School. Students of all levels of ability and experience of art making are welcome and celebrated in all art classes. Course selections in spring include Drawing and Design, Graphic Design (Illustration and Photography), 3-D Design, Painting, Ceramics, and Art Metals.

- Interested in having your own show? Know of someone who would like to have a show? Please submit digital imagery of work along with a short artist’s statement to a member of the East High Art Department. (Shows are scheduled a year in advance.)
