At Madison East High School, our mission is to open doors of opportunity for our students by providing high expectations for all with a focus on college, career and community readiness.

School Principal: Mike Hernandez

Equity Vision

EHS is intentional in creating an inclusive and supportive environment where students and families feel safe and connected to staff and the community, diversity is celebrated, and high expectations and equitable access to rigor are the norm in every classroom so that every student graduates college, career and community ready.

Strengths

The key strength of Madison East High School is the awareness and the celebration of diversity in our building. All stakeholders have tremendous pride in EHS and constantly support our Purgolders.

Progress

We saw positive movement in our CC and AA 2 or more F data for 9th Grade. We also saw our Graduation Rate increase by 2%. Our participation rate for the ACT increased tremendously this past academic year.

Area for Growth

Overall our 2 or more F data increased for our freshman. We also missed our targeted growth for the majority of our SIP goals. We did see positive movement but not as much growth as we had worked for.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
